Life ticks by in real-time—different things happen at different times of day, and seasons change just like they do in the real world!

Welcome to town!

It's time to move to Animal Crossing, the real-life game that's happening every second of every day, whether you're there or not!

Get to know your town. Meet your neighbors, buy a house, and furnish it however you like.

So much to do! Plant trees, pull weeds, go shopping, run errands—or just go fishing.

Get three friends to move to your town or travel to a friend's town to see what's up.
