## TREASURE TOWN

Treasure Town is a bustling place, where Pokémon are always socializing. In the beginning, only a few facilities are open. As you progress through the story, more facilities will open.

### Kecleon Shop & Wares

The Kecleon Shop on the left sells items like Berries and Seeds, while you can find Orbs and TMs at Kecleon Wares on the right. You can also sell them unwanted items.

Kecleon™ Brothers

### Duskull Bank

You can deposit or withdraw your Poké at a bank operated by Duskull. You should deposit your money here for safekeeping, because what's in the bank is safe even if you are defeated in a dungeon.

Duskull™

### Marowak Dojo

A facility where your team may freely battle wild Pokémon. Even if you are defeated in the dungeons here, you will not lose your items and Poké. You can't send an SOS Mail (P. 39, 52, 54) from a dungeon here if you are defeated.

Marowak™

### Electivire Link Shop

A facility where you can pay to link moves or recall forgotten moves. Linking is a process of putting together two or more moves so that they are used one after the other in one turn. If you want to break the link, select the linked moves and select "Delink." Note: Some moves can't be linked.
